The ELIYA Annual Meeting of the members and the Awards Dinner that was held on Sat., Nov. 7, 2009 at the Chequit on Shelter Island was a lovely evening with good food and conversation. **Shelter Island YC** presented lovely trophies for the **Heatherton Trophy Race** and the **Poor Memorial**. **Devon** presented beautiful trophies to the winners of the **'Round Gardiner's Island Race**. Most other trophies from individual races were handed out at earlier parties, but a few that hadn't made it to their recipients were given out. The **Annetta Horton Trophy**, given to an adult that has done a lot for the Juniors, was presented to **Sean Elliott**. For the **2009 CRC and Island Series**, somewhat practical trophies of engraved pewter trays, & ebony vases were given out to the 1st 3 placers. Given to 10 other ELIYA members that qualified, were gifts of engraved stemless wine glasses. The **list of winners** will be on the website soon. Go to www.elisailing.org and click on "2009 ELIYA Series Results" in the Archives section on the right.

Shelter Island YC is running 2 Seminars on the 1st weekend of June. The 1st Seminar is for you Yacht Club's Race Committees. On Sat., June 5, Steve Purdy is running the Race Management Seminar. If you hope to be a Certified Race Officer, then you will take a test at the end. On Sun., June 6, Jim Ryan will be running a Rules Seminar. Details of times, costs and what will be included will be on the ELIYA website (www.elisailing.org) and sent out in a mass emailing & probably snail mailing at a later date.

Do you know about the **Mallory Cup** (for men at least 18) and the **Adams Cup** (for women at least 18)? These US SAILING National Championship Races are one-design races on triple handed boats. Boats are provided at the competition. If you are interested in competing in the ladder events, then you can get more information from Bruce Dinsmore or Joan Worthing at 631-287-3205. Usually we don't have enough interest in Eastern LI to have a sail off, so we will compare resumes to decide which skipper(s) can go. Those skipper(s) then choose his/her crew.

If you have **any questions**, feel free to email me (Joan Worthing – Secretary) at JoanWorthing@optonline.net (put ELIYA in the Subject please) or call me at 631-287-3205.
